

## **JUNIOR YOUTH- PRESENTER PIECES**

### **1. Football**

Go the Crows!.... When I grow up I want to play for the Crows, I want to kick 500 goals, I want to take 100 marks, I want to do high tackles and most of all I want to slide in the mud.... At Junior Crows we learn to kick goals and take marks.... but we aren't allowed to slide in the mud till we are all grown up.

### **2.Silly Soap**

Silly Soap it comes in crazy colours, squirt it in the bath and watch the coloured bubbles rise. It's so much fun.... I was surrounded in blue bubbles last night. Tell your mum to get Silly Soap for your bath time.

### **3. Barbie**

Mum said she had one when she was a little girl, and her mum had one when she was a little girl..... Now I have one too! Barbie and she is so much fun!

### **4. Nerf Ball**

Not allowed to play ball inside? Well, your mum will let you play with Nerfball.... This soft spongy ball is as light as a feather and bounces off all surfaces.... It's great on those cold winter days.
