

## **SENIOR YOUTH- PRESENTER PIECES**

### **1. CAREER EXPO**

Are you someone who's always dreamed of a career in the media... like radio or TV, but didn't think you were cut out for being in front of the mic or the camera? There are many other career choices in radio and TV that could be perfect for you. Everything from promotion to computers, from business to engineering... even news, advertising, and production. The Australian Broadcasters' Association welcome you to a free career expo! You'll meet Radio and TV people from every field, and discover what career would suit you best. Plan now to attend the free Radio and TV Career Expo, for more info visit [careerexpo.com](http://careerexpo.com).

### **2. SWIPE IT**

Getting to school has just been made easier with “Mega Pass!” This super pass uses the latest microchip technology. Charge it up and off you go..... Swipe it as you enter the bus, swipe it at the school tuck shop, swipe it at the movies, swipe it at your favourite sports centre. There’s no need to carry money again. Mum loves it she charges my account once a week, and no more ....”Mum can I have \$5 for lunch.” Be smart, sign up for “Swipe It” now.

### **3. COTTON ON**

Hey girls.... Check it out! Charlie you would look great in this and these pants have your name written all over them Macy... Go try them on.... (*Delivered to listener*) I love Cotton On and so do all my friends... The clothes are so cool, they have all the latest fashions, and the colours are just so now..... And the accessories are to die for..... (*Talk to girls*) Oh that looks fantastic Charlie buy it..... (*Delivered to the listener as an aside*) Cotton On a girls shopping paradise.

### **4. SKATE PARK**

Hey Mikey..... That was sick! Bet you can’t do it again with a 360% this time. It’s awesome fun here at Skate Park, there are some sick ramps. Mum doesn’t have a problem with dropping me here on weekends cause she knows it’s fully supervised... There are also some rad instructors who are always willing to spread the knowledge. .... What ya doing next weekend dude.... Get yourself to Skate Park.... It’s awesome!
