

# NEWSLETTER

First term is nearly over and the year is kicking into high gear here at Actors Ink & Essential Talent.

It's been a very busy time for many Actors Ink actors and students who performed in shows at this years Fringe Festival in a variety of shows.

Essential Talent has been given the opportunity to produce a show for "Something On Saturday" at the festival theatre. This very exciting opportunity will feature students from across the school. The syllabus and programs taught at Essential Talent are to prepare students for work in the entertainment industry, this will give the ETPAA students a great chance put their hard work into action.

I'm currently in negotiations for a number of OS contracts for both mid and end of year shows which again will give current students and graduates of ETPAA work opportunities overseas.

Term two will see acting students in the youth & senior youth classes developing and shooting a short film in class to be presented to parents at the end of the term.

We are about to re introduced ETTV & AI TV starring students from the school providing interviews and generally keeping all up to date on the happenings around the school. Lana will be approaching students to shoot the various segments throughout term 2.

Be sure to friend us on Face Book to stay on top of the latest industry gossip, auditions, class specials and competitions.

There are a couple of exciting projects the staff are currently working on and I look forward to announcing some great opportunities for the students attending classes in the next newsletter.

2015 is shaping up to be a fun year!

**Richard Laidlaw**  
Managing Director

## ACTORS INK Week 10 Viewings

We have the pleasure to invite you to attend the last half hour of the final class of Term 2 2015.

The in-house viewing will be on the final day of your childs class at the Actors Ink Studios, 12-20 Morney St, Adelaide.

This is a great opportunity for new students and their families to see what the students have been working on throughout the term.
