

YOUTH- PRESENTER PIECES

1. AIR BAZOOKA

It's fun for the whole family, exercise made fun, it's the "Air Bazooka." This state of the art air cannon is completely safe and simple to use. Capture a giant scoop of air..... Point and release sending an invisible rocket of air toward your target. It's harmless and a great way to exercise. Air Bazooka.

2. The Beach House

What's better than ice cream?... What's better than playing in the mud?... It's a day at the Beach House... There are dodgem cars, computer games, remote control boats and even a merry go round. If there's one place you have to go this holidays it's THE BEACH HOUSE.

3. BEE I POD

I'll have the blue one... no no wait the green one. Yes the green one..... I have been saving for this BEE Ipod for 3 months and finally, finally it's mine. A 64 gig Ipod with Bluetooth, full colour LCD screen, alarm and GPS the rolls Royce of Ipods.... My friends will spew. Be cool, be smart BEE IPOD

4. Brush Your Teeth

Are you sick of being told to brush your teeth? Every night it's the same thing. Now mum has bought this new toothpaste that tastes just like candy. Now it's just like eating a chocolate bar every time I brush my teeth. My teeth have never been cleaner!
